NRO & USAF REVIEWS COMPLETED

MEMORANDUM FOR THE RECORD

SUBJECT: Project "O" AFIGO-S Security Clearance Processing

1. On 14 August 1963 the undersigned briefed [redacted] on the 8 August meeting with Col. Geary and [redacted] on subject above.

2. [redacted] expressed concern that the AF "O" nominees were not at least receiving an OSI file check. He cited two recent examples in which such a file check would have prevented a lot of embarrassment; [redacted]

[redacted] believes that the AF "O" nominees should at least be receiving an OSI file check and asked the undersigned to examine the matter, coordinate with OSA and AFIGO-S and make recommendations to him concerning implementation of this file check.

3. [redacted] concurred with action being taken by our respective security staffs in attempting to resolve the AF clearance processing problems surrounding the "O" project.
